Richard L. Liliedahl, MD

rich.liliedahl@axenehp.com

Dr. Liliedahl is one of the two founding members of Axene Health Partners, LLC and serves as the firm's Chief Medical Officer. He joined AHP after a successful consulting career at Ernst & Young and Milliman & Robertson, Inc. He is based in the firm's Oregon office.

He works closely with the firm's actuaries and provides a broad scope of services to a variety of healthcare clients including:

- Health Plans: Traditional managed care companies, insurance companies, Blue Cross and Blue Shield plans, etc.
- Disease Management Companies: Pharmaceutical companies, managed care driven organizations and independent companies
- Healthcare technology companies specifically those providing products to providers and payers
- Medical technology companies
- Healthcare organizations needing strategic development, organizational change and positioning for the future services
- Governmental agencies including state, federal, Medicare and Medicaid
- Hospitals and other provider organizations

Dr. Liliedahl is a recognized name in the healthcare industry. At E&Y he was the National Director of Clinical Effectiveness. At Milliman & Robertson, he was the first physician partner. He also served as chief medical officer of the M&R Care Guidelines where he was the primary author of two of their current products.

Dr. Liliedahl is a frequent writer and speaker on healthcare issues across the country. He is a Board Certified Family Physician and a member of the American Academy of Family Physicians. He also participates on two editorial boards.

Dr. Liliedahl is married and has three grown children.
